

## CORVAA | BIO 2017

Corvaa is known as the chameleon vocalist and is a full time entrepreneur. Originally born in Piraeus, Greece she was adopted and raised on Long Island, NY. She re-started her musical journey in February of 2013. Her recordings were all rough, raw, & recorded out of her house through a cell phone. Each time she would sing the recording was uploaded directly onto Soundcloud. Doing this was a risk but she focused on her talent being showcased vs the quality of the files. Fast forward to present day: with 60,000+ plays on Soundcloud, 10,000+ followers on Instagram & 5,000+ likes on FB, the music industry has taken notice of Corvaa the artist. As her following continues to grow she yearns to put out quality vocals with beats that pack a punch.

On her quest for stardom she realized..."I want an empire." In order to create that she would need the right people around her. It takes any artist the right team to achieve their goals. To her talent will only go so far but what brings it all home is Loyalty. Team Corvaa is composed of talented artists that reside around the tri-state area and act as extended family. At the head of the Team is Mark Johnston who acts as her business partner. Her debut EP disc can be heard on Itunes, Spotify, Amazon, Google Play, CD Baby, etc. As Corvaa puts it, "Knowing I have my own disc of music in under a year puts me at a loss for words. I want to take a moment to personally thank each and every fan out there who continues to support & spread the good word. A quote I live by and have taken so literally it's tattooed on me: Believe, for anything is possible."

Her music has been supported by Party 105.3 FM, WKRB 90.3, Z88.9, Party 103, Harrah's Pool After Dark, Sizzahandz of Crooklyn Clan, reached over 100 countries and is currently featured on MTV's Website:
